Smart Cyber: Made for Construction

Corvus by Travelers offers insurance solutions to help organizations in the construction industry combat cyber risks

The construction industry is responsible for building, maintaining and improving critical infrastructure. Access to intellectual property and downstream risk makes the industry a prime target for threat actors. Despite the current threat landscape, we're offering broad policy language, competitive terms and endorsements **made** with construction in mind.

Desired Sub-Classes

- Construction Services
- Contractor Services

Appetite

- Primary risks earning up to \$5B in gross annual revenue
- Excess risks earning up to \$5B in gross annual revenue
- Limits up to \$10M

Coverage Offerings

Property Damage Claims

Coverage for both first and third party property damage claims arising out of a cyberattack of the Insured's computer system (up to \$1M in limit available).

Bodily Injury Claims

Coverage for third party bodily injury claims arising out of a security or privacy breach of the Insured's computer systems (up to \$1M in limit available).

Missed Bid Coverage

Coverage under business income loss is expanded for a missed bid or request for proposal (RFP) due to a total, partial, intermittent interruption or degradation in service of an Insured's computer system resulting from a privacy breach, security breach, administrative error or power failure.

Contractual Credits and Penalties

Coverage added for service credits or contractual penalties imposed against the Insured because of a failure to deliver products or services as the result of a cyberattack of the Insured's computer system.

Other offerings include:

- Regulatory and preventive shutdown coverage
- Vicarious liability coverage for owners of property the insured manages
- Coverage under security breach for independent contractors who fail to stop the transmission of malicious code to a third party computer system
- Definition of Computer System amended to include the use of drones, building information management software and SCADA systems

Travelers Excess and Surplus Lines Company and its property casualty affiliates. One Tower Square, Hartford, CT 06183

Insurance policies provided by surplus lines insurers are not protected by state guaranty funds. Surplus lines insurers are not subject to all of the same insurance regulatory standards applicable to licensed insurance companies. Coverage may only be accessed through a surplus lines licensee. If you do not hold a surplus lines brokers license, consult with a surplus lines licensee. Coverage may not be available in all jurisdictions. Coverage scenarios are based on actual situations, composites of actual situations or hypothetical situations. Facts may have been changed to protect confidentiality.
